Style

Defined style

“

Over the years, the essence of Style has remained unchanged, making it one of the most recognisable series in its current form. Design, style and technology for homes, offices and hotels.

Platinum metallic

Cosso Anthracite

Malt Gold

Matt White

Chocolate

Matt Black

//

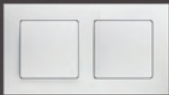

The Style series is the modern archetype of the traditional series, both in terms of aesthetics and functions, which go beyond fashion trends.

Miro

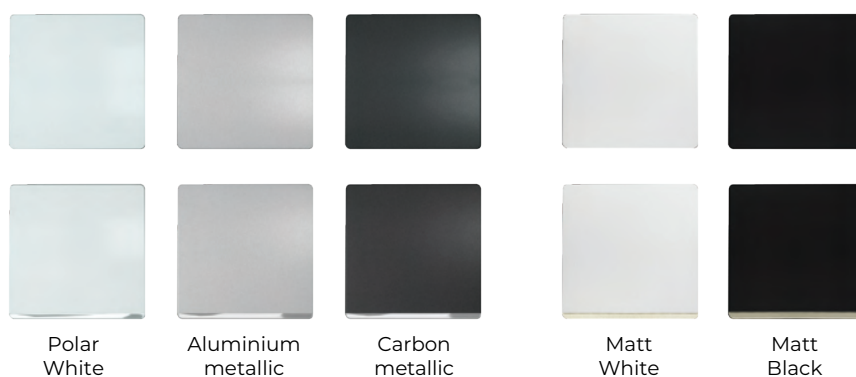

Captivating design

“

Miro delivers an innovative and unique concept with its lines, something that can only be achieved when things are done properly. The high-quality series features an exclusive and modern textured finish.
